JIMBODIVINE Merah

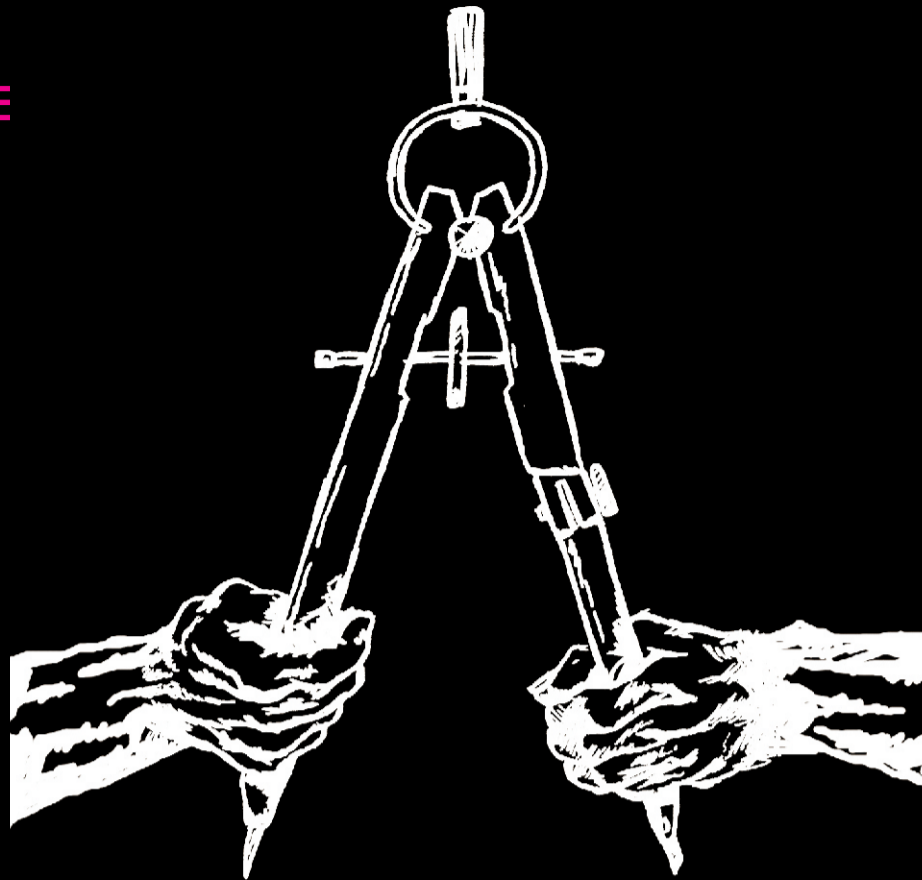

Semua disini terpaku menatapmu
Merah berlaga di hamparan hijau
Kami bernyanyi membakar semangatmu
Lantang menggema di angkasa raya

Merah gagah berani bertanding tak kan menyerah
Merah bara menyala bertarung tak kan pernah mati

Bersama berjuang diatas tanah ini
Jiwa ragaku bersorak pemenang
Semua bernyanyi membakar semangatmu
Keras menembus semesta raya

J. IRWIN

Hymn For A Friend In The Sky (Radio Edit)

Hey you there in the sky, will you follow me for a while
I'll write your name on the stone where I stand; I hope this
won't be the end
I'm asking you to hear this song through me; it's not just
about words and rhymes
I don't know where you going but I hope you'll find a place, I
hope you there and safe

No more hollows in the hearts, no more cry and misery,
We're just a bunch of strangers with nowhere to hide
And maybe someday they will remember you and give you
this song and sing
---and sing

Here a song for you when you are down, just tell me how
does it feel
Try to accept goodbyes and tears; heaven knows the time
has come
We're gonna miss you when you are gone, this is for you
who wait and see
It takes you ride to another side of universe, I hope you feel
alright

No more hollows in the hearts, no more cry and misery,
We're just a bunch of strangers with nowhere to hide
And maybe someday they will remember you and give you
this song and sing
---and sing (2X)
You gotta see what's going on---

SERIGALA JAHANAM

Astral Altar

These altars need your soul to be sacrify.
Feed us with your flesh,
Satisfy our thirst with your blood.
Let those demons wake from their long sleep
And rise to ruin the heaven.

The evil whisperer conquer the weak souls,
So humans become our slave forever.
Serve us with their tortured corpse.

Nocturnal creatures paint the sky with black,
Welcoming their master, whom has awake.
And so the rottens hailed...
